Volume VI

Yesterday . . . Today . . . Tomorrow

Our past Our present Our future

TODAY is the key note of both this annual and our school. If the 1967 Raider leaves but this one idea, it will have fulfilled its purpose. Throughout these pages are found both the memories of days gone by, and in each of the classes the dreams of glorious tomorrows, and perhaps not as evident, then, is this basic purpose—a living record of our many todays.

Our purpose has been to hold for all time the todays we have shared in our years here. Whether it is a freshman on that first day of school, a sophomore struggling through a Biology final, a junior electing that all-important Senior Class President, or a senior singing his school alma mater at graduation, today is here in this annual, filled with joys, sorrows, and experiences, which are to be treasured when today, and even tomorrow, become yesterday.

Donald B. Cowan

Dear S. H. Rider High,
"Stand upright" is our cry.
To learn a loss or victory,
For thee we'll always try.
Our colors we will follow;
Black and Gold will always fly.
The sons and daughters of her kindred
Praise her to the skies.
Bless this our alma mater.
Bless S. H. Rider High!

Smile, you're on Candid Camera.

Raider tradition wins again.

"I dug it up;

Eddie Baker welcomes a West German Raider, Peter Podszuk.

Fight, fight, you Raiders!
Fight for Rider High!
We will shout your praises, Raiders,
Shout them to the sky!
Rah! Rah! Rah!

Onward Raiders,
Always on to victory!

Dr. Joe B. McNiel
Superintendent of Schools
M.A., Southern Methodist University
LL.D., Midwestern University

As the reputation of Wichita Falls' excellent school system grows, so does that of its Superintendent, Joe B. McNiel. A man truly dedicated to the growth and improvement of our schools, he is faced with many problems. He is a busy civic leader and fulfills many social commitments, such as presenting the outgoing President of the Texas State Teacher's Association his gift at the Executive Committee meeting.

Dr. McNiel's work could not run as smoothly and competently as it does without the aid of G. H. Kirby, Deputy Superintendent. Allied to the same principles as Dr. McNiel, he works toward the goals associated with our city schools.

G. H. Kirby

Working to make today's youth activities worthwhile and productive are five specialized directors. Pictured at left are Joseph L. Golding, Director of Athletics; Thomas F. Barnett, Assistant Superintendent—Charge of Instructions; Henry B. Furr, Administrative Assistant; Ralph M. Davis, Assistant Superintendent—Charge of Business; Luther E. Orrick, Assistant Superintendent—Special Services.

Library

Mrs. Baird demonstrates the marking of books.

The knowledge of days gone by is made readily accessible to interested students by the librarians. The Library Staff strives to assist students in learning the various facilities of the library and how to use them, in seeking reference materials for research projects, and in the circulation of books and other materials. Through the help of our library, Rider students will be better prepared for the future.

Of increasing importance to the student in today's world is the study of languages to help insure understanding between the peoples of the world. Student Council

You mean in here?

Representative of Rider's growth as an outstanding school is the Student Council. This organization is composed of the class presidents and elected representatives from the four classes.

Accompanied by Sponsor Mr. Harold Bonham, President Kenny Bryant and Vice-President Loretta Albright went to S.M.U. for a workshop in July. Besides their all-important work in establishing school standards and actively guiding the student body, the group sponsored buses to football and basketball games, and attended a Leadership Training Program in the fall.

But how did you know?

Cold feet, warm heart, Kenny?

Other Student Council members are Jim Biggs, Dick Harris, and Tommy Clanton, **standing;** Carl Jaedicke, Steve Morris, Becky Jenkins, Janice Ferguson, Joe Davidson, and Tommy Isbell, **seated. Not pictured** is Toby Tyler.

Learning and working together, the 1967 Raider Staff feels that all its efforts have been duly rewarded. Our thanks must go to the many people who helped us so much, and especially to Miss Mary Riley, who came to our aid numerous times. Notwithstanding all the afternoon sessions with Mrs. Kinzer, it's been a lot of fun for all twenty-two members of the staff.

Coaches and Captains

Always the reason for a winning team are the coaches and captains. Whether on the sidelines or on the field, they are there to keep the Raider spirit alive. No greater compliment can be given them than that spoken by Tom Crane: "the team consists of boys who work hard to be good sports as well as good players."

1966 Rider Raiders

With the strong tradition built by teams of the past, the 1966 Raiders provided Rider with a season of changes and surprise. District 4-AAAA was split into two zones this year due to the increasing number of new high schools in this area. Predicted in pre-season ratings as number one in Zone I, the Raiders fought their way to an 8-2-1 season. Copping the Zone I championship, they fulfilled the prediction and helped bring the inevitable to Wichita Falls—an intra-city district playoff game.

1966 Bandits

One of the most important assets to a strong Varsity football team is the assurance of a determined and willing Junior Varsity team. The 1966 Bandits have fulfilled this responsibility. The team captured the City Championship with an impressive 7-2 season. The morale of this spirited team will surely carry over to next year's varsity.

Zone I Champions

In the sports field, Rider became noted for more than football this year as the Zone I Basketball Championship was won by Coach Bubba Bailey and his assistant, Leo Brittain, and their eight Raiders. In the words of a local sports writer, "The only thing Bubba's team does is beat people." This was certainly evident as their season ended with an outstanding record of twenty-three wins and five losses. Expert ball control and accuracy gave Kenny Bryant the highest scoring title, but he had plenty of assistance from Jeff Jackson and Jack Griffin.

The Drydens welcome another musician to the family.

While most seniors enjoyed their last year at Rider, Susan Justin spent her senior year in Laren, Holland. Finding the Dutch way of life much different, though exciting, from America, she had the opportunity to visit many scenic places in Switzerland, Germany, and France.

With Susan going to Holland, Peter Podszuk came to Wichita Falls from Dortmund, Germany to live with the C. B. Dryden family. Enjoying outdoor life, in Germany he was active in volleyball and soccer. He participated in numerous Rider activities and also managed the baseball team. Throughout the year Peter proved to be a true RAIDER.
